

Horrid Henry and the Fangmangler (Horrid Henry Early Reader)

Horrid Henry braves the terrifying Fangmangler in this hilarious story perfect for Early Readers. Early Readers are stepping stones from picture books to reading books. A blue Early Reader is perfect for sharing and reading together. A red Early Reader is the next step on your reading journey. When Henry has no pocket money left to buy a Dungeon Drink kit, he comes up with an ingenious scheme to make some cash and give his friends (and enemies) a scare at the same time. But does the Fangmangler really exist? And if not, which of Henry's evil enemies is out for revenge? A funny, spooky story, perfect for Halloween and all year round.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
