

All About Dogs (Want to Know)

Want To Know books are informative picture books that answer the questions of young children. Some subjects are familiar to them, others are less familiar. The books deal with the world and the environment around us, with our past and present. In a playful and clever way, these books tell children what they want to know. Do you want to know everything about dogs? How many types of dogs are there? How to make a dog happy? And what do dogs do when they are happy? How old can a dog get? And what happens at a dog show? These and many other questions will be answered in this book. You'll also find a song, do-it-yourself-tips, a big fold-out page, and a mini-quiz to make you a real dog expert! An informative picture book about dogs. For dog lovers aged 5 and up.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
