

## How to Write Short: Word Craft for Fast Times

Americas most influential writing teacher offers an engaging and practical guide to effective short-form writing. In HOW TO WRITE SHORT, Roy Peter Clark turns his attention to the art of painting a thousand pictures with just a few words. Short forms of writing have always existed—from ship logs and telegrams to prayers and haikus. But in this ever-changing Internet age, short-form writing has become an essential skill. Clark covers how to write effective and powerful titles, headlines, essays, sales pitches, Tweets, letters, and even self-descriptions for online dating services. With examples from the long tradition of short-form writing in Western culture, HOW TO WRITE SHORT guides writers to crafting brilliant prose, even in 140 characters.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
