

English the Berlitz Way: Japanese Speakers Level 2

This series aims to teach native speakers of Japanese how to read, write, listen, and speak in English, while helping them improve their pronunciation and grammar skills. Learn the language required for everyday activities--at home, at work, and at play. Level 2 covers Shopping, Getting Around, and Eating. The audio program encourages active participation; the course book builds on the information presented in English the Berlitz Way Level 1 and includes key vocabulary, written exercises and activities, fun games, four-color art, and interesting culture and language tips about English and English-speaking countries. Requiring a beginners knowledge of English, English the Berlitz Way utilizes a fun, natural approach that makes it enjoyable to learn English as its really spoken.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
