

Dixie and the Good Deeds (I Can Read Level 1)

Beginning readers devoted to such characters as Henry and Mudge, Clifford, and Marley will adore this Dixie adventure, Dixie and the Good Deeds. Dixie the puppy faces many of the problems elementary school kids do. She wants to be good, but she makes mistakes. She worries about whether she'll be able to make new friends. She doesn't understand why bullies can't just be nice. She wishes she could spend all her time with her BFF, Emma, and feels left out when she can't. In Dixie and the Good Deeds, Emma takes on more volunteering projects in her community than she can handle. It's up to Dixie to come to the rescue. Full-color illustrations by Sarah McConnell add to the humor in this story by Grace Gilman.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
