

Move it!: Students Book Book 4 (Next Move)

The first course for teenagers, fully implementing 21st Century Learning & Teaching, prepares students to succeed in the contemporary world. * Ideal for mixed-ability classes, the course personalizes the learning process. * Rich modern media package saves teachers time and captures students attention. * Complete Assessment Package to monitor students learning process. Students Book: At the center of the course is the Students Book, which contains a vast array of innovative and motivating features to make your classes a real success. * Starter Unit + 9 units with one lesson per page * 3 Review sections * 9 Brain Trainer pages * 6 Culture pages

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
