

## Idea Sparking: How to Brainstorm Conflict in Your Novel

I was up all night reading your book. How did you come up with that amazing twist? Plotting a riveting and compelling story that stands out from the thousands of novels on the bookshelf takes creativity and strategic thinking. An author must learn to think outside the box, and yet create conflict reasonable and personal to their characters. Whether you love to plot out every infinite detail in your story before writing, or prefer to discover your story on the journey, *Idea Sparking: How to Brainstorm Conflict in Your Novel* is the tool you need to create the right conflict to build a powerful story. Packed with examples and exercises to get you thinking, *Idea Sparking* gives you a menu of innovative tools, techniques, and solutions for devising plot twists. You'll learn:

How to create the right environment for brainstorming  
The difference between conflict and tension and how to create both

How to escalate conflict naturally and powerfully  
How to develop a unique character journey  
Techniques for discovering dramatic, yet plausible, twists

How to create powerful inner conflict  
How to find and create the right villain  
How to increase the tension with every chapter

How to build powerful cliffhangers  
How to keep the middle from sagging

How to make readers care about your story  
My Book Therapy

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
