

If You Want to Write: A Book about Art, Independence and Spirit

For most, the hardest part of writing is overcoming the mountain of self-denial that weighs upon the spirit, always threatening to extinguish those first small embers of ambition. Brenda Ueland, a writer and teacher, devotes most of her book, to these matters of the writers heart. Still, the real gift of the book is Ueland herself: She liked to write, she didnt care what anyone thought, and she had a great sense of humor. Youre simply happy to hang out with her.

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
