

## The Phonological Investigation of Old English: Illustrated by a Series of Fifty Problems (Classic Reprint)

Excerpt from The Phonological Investigation of Old English: Illustrated by a Series of Fifty Problems I have supposed a student desirous of working out the phonology of such a passage in a manner at once independent and systematic. Should he not succeed in every instance, he would not be justified in concluding that the method was necessarily wrong. There are problems which, in the present state of our knowledge, baffle all attempts at solution. But it is advantageous that this class of problems be discriminated from the rest, in order that effort may be concentrated upon them, and they may be forced to yield, as equally forbidding ones have already done. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
