

Im Getting Nothing for Christmas

Im Getting Nothing for Christmas is based on events of my childhood when an older brother declared that he would not receive anything for Christmas because he believed that he done something so bad and so monumental. Of course, at five years old, every tree climb is an adventure, every mishap is a calamity. Christmas was but days away. He over exaggerated his fate and underestimated the spirit of Christmas. His Christmas, as was the case with his eight siblings, was as wonderful as every Christmas. His song was a short-lived anthem while he was under his bed. We all sang along under that bed. These were times we shall never forget. Cheers to Wade for he gave us all something for Christmas that will last forever.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
