

In Sync 1

In Sync is an exciting, innovative, easy-to-use four-level course that reflects the lives and experiences of teenagers. In Sync stimulates learning and broadens students horizons through lessons that engage both intellectually and emotionally. The course includes the red filter, a unique learning tool that can be used to facilitate mastery of key grammar points. Features Brings language learning to life with up-to-date topics and real-life teenage issues, problem-solving puzzles, and realistic communication activities Enables students to succeed through achievable and motivating lessons, extra practice in the Student Book, and mixed-ability exercises in the Language Builder

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
