

Ecuador (French Edition)

J'arrivai pour la première fois dans ce pays, comme il faisait à peu près nuit déjà. Il restait deux heures à faire à cheval. Trois cavaliers allaient m'accompagner. Je m'attendais à trotter. On se mit, au contraire, à descendre dans d'in vraisemblables pierres, ou bientôt, dans l'ombre épaisse, j'étais comme un aveugle. Le cheval connaissait le chemin. À mesure que l'obscurité se faisait plus pleine, son pas devenait plus prudent et sensé. Je le laissais faire. Il tournait ici, puis là, puis atterrissait à un palier plus bas. Il était le plus lent, je perdais de vue les autres, même la jument blanche de Mortensen. On était obligé de m'attendre.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
