

## Bruges Inkmap - maps for eReaders, sightseeing, museums, going out, hotels (English)

INKMAP Bruges brings interactive maps to your eReader. An extensive list of restaurants, hotels, bars and museums selected by the editors, along with an alphabetical street directory, are directly linked to the respective detailed maps. INKMAP maps are specially optimized for eInk-Reader with touchscreen. They are high-contrast and contain three zoom levels. You can find more information, video tutorials and assistance at our website. With your purchase, you support OpenStreetMap: 10% of the proceeds will be donated to these organizations. We welcome feedback. Let us know what sort of map you want and help us improve INKMAP: [www.inkmap.com](http://www.inkmap.com)

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
