

Intensive Bulgarian 2 Audio Supplement [SPOKEN-WORD CD]: To Accompany Intensive Bulgarian 2, a Textbook and Reference Grammar

This audio CD is designed to supplement Ronelle Alexanders Intensive Bulgarian, a two-volume textbook set that teaches students lively, modern colloquial Bulgarian, familiarizes them with Bulgarian cultural life, and thoroughly explains Bulgarian grammar. Intensive Bulgarian 2 Audio Supplement corresponds to Intensive Bulgarian 2 and Lessons 1630, which illustrate more complex issues of grammar and syntax. The audio tracks, spoken by native Bulgarians, present the dialogues for all lessons as well as two literary selections. Each track is introduced by a brief selection of authentic Bulgarian folk music. Each of the four items the two volumes of the book and the two CD sets is sold separately.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
