

# Intercultural encounters in foreign language teaching: Analysis of a school exchange to Cullingworth as a means to promote the development of ICC

Seminar paper from the year 2005 in the subject English - Pedagogy, Didactics, Literature Studies, grade: 1,3, University of Hannover, course: Intercultural Learning in the English Language Classroom, 16 entries in the bibliography, language: English, abstract: This term paper will analyse a student exchange to England, carried out by a grammar school in Stolzenau, as an encounter program promoting Intercultural Communicative Competence (ICC). First, it will present the development of ICC as one main goal of the contemporary Foreign Language Teaching (FLT) and will define the intercultural speaker as its ideal. Furthermore it will give a short overview on the targeted knowledge, skills, attitudes and educational aims behind this concept, and will introduce school exchanges as one mean to facilitate the development of ICC. The ensuing paragraphs will deal with principles of the design of encounters. They will present important factors, prerequisites and practical options for organizing exchanges. These principles will lay the foundation of an evaluation of the Stolzenau exchange to Cullingworth trying to establish a connection between theory and practice.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
