

## Good English, or Popular Errors in Language (Classic Reprint)

If there is anything strictly original in such criticisms, it is limited to a mere selection of subjects, the subjects themselves being the handiwork of the people. On that point, it is proper to say that the author has not extended his comments beyond such errors in language as are familiar to everybody, such errors as are strictly popular, and which, unfortunately, are to be found in the pages of nearly all of those who are termed good writers. Possible, or imaginary, errors do not seem to be worth the trouble of exposure or refutation. In the winter of 1865, at the request of his friend, the Right Reverend WILLIAM BACON STEVENS, Bishop of Pennsylvania, the author delivered three lectures on Clerical Elocution, before the Divinity School of the Protestant Episcopal Church, in Philadelphia. The lectures consisted of written precepts, and illustrative readings from the Bible and Prayer Book. The former part was afterward published in the Boston Church Monthly, and was thence transferred to the New York Christian Times. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped

and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
