

Omicidio alla Moda (Italian Easy Reader) (Italian Edition)

NEW revised third edition with questions to check your comprehension after each chapter! Perfect for Italian students and classes! Level: False beginner to intermediate (A2-B1) Alessandro è uno studente che trova lavoro in estate presso un famoso stilista a Milano. Lo stilista muore, ucciso. E Alessandro è coinvolto dalla bellissima Tiziana in un'indagine pericolosa che lo porta nel mondo intricato e intrigante della moda milanese. Un thriller che è anche una storia d'amore con personaggi indimenticabili. Con esercizi di comprensione dopo ogni capitolo.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
