

The Ham Heist (Jack Russell: Dog Detective)

Jacks person, Sarge, is getting married. And that means a big party, with lots of food! All the dogs are excited, so when the ham for the wedding reception is stolen, Jack has plenty of canine suspects. With the help of his junior Jack, Preacher, Jack is soon on the case of The Ham Heist. Sure to charm dog lovers and detective fans alike, the Jack Russell: Dog Detective books short snappy mysteries are perfect for newly confident readers. Embellished with codes, clues, maps and jack facts to hold interest, they encourage deductive reasoning and promote logical thinking, while the puns, witticisms and doggone silly humor will have them laughing (barking?) out loud.

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
