

Janes Armour & Artillery Upgrade, 2004-2005 (Janes Land Warfare Platforms Systems Upgrades)

Janes Armour and Artillery Upgrades details information essential for those interested in the worlds armour and artillery subsystems that are currently in production, under development or for which it is thought production facilities still exist around the globe. Key contents include: AFV armament, protection, engines, transitions and power packs; Towed and self-propelled artillery upgrades; Mobility; Turrets; Fire-control systems and AFV optics Ideal complements to Janes Armour and Artillery Upgrades include Janes Armour and Artillery and Janes Military Vehicles and Logistics. For the latest defence news and analysis the publisher recommends Janes Defence Weekly.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
