

Learn Japanese through Dialogues: at the Restaurant

Finally, a fun and easy way to learn REAL conversational Japanese! This is for beginners to upper beginners of Japanese. The dialogues found in this book are all about context and how Japanese is actually used while at a restaurant. The MP3s are all recorded by native voice actors and actresses. INCLUDES FREE MP3s found in a download link on the last page. The book itself contains the dialogues with the English translation, but it also adds cultural or grammatical notes to help you understand the dialogue in context. Each and every dialogue is broken down to make it understandable for even those new to Japanese. After each sentence, a literal translation is provided. That is followed by a full list of every vocabulary word found within that sentence. Contents: Dialogue 1: Making Reservations Dialogue 2: Getting a Table for a Friend Dialogue 3: Meeting Sally Late Dialogue 4: Ordering Dialogue 5: Waiting for Food Dialogue 6: Udon Dialogue 7: New Year and Soba Dialogue 8: At a Donut Shop

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
