

Japanese Reader Collection Volume 5: Shitakiri Suzume

Perfect for beginning and upper beginning students of Japanese. This affordable Japanese reader will help you build your Japanese vocabulary, reading skills, and listening comprehension. Get FREE MP3s of the stories read by a native Japanese speaker. Listen while reading. The link to the MP3s is found on the last page. Shitakiri Suzume follows a common theme in Japanese fairy tales: a childless old couple raising a son or daughter. But instead of a human, the story revolves around a sparrow, the loving pet of the old man. Also common with other tales, there is a moral to the story. Don't be greedy! The second story, Kobutori Jiisan, teaches that a happy disposition often leads to happy conclusions.* All Japanese have furigana (printed version) and romaji for those starting out.* Every sentence is broken down word-for-word and with explanation of the grammar.* The full story in Japanese only (without the running gloss) is also provided so you can practice reading without interruption.* Download the FREE MP3s to listen while you study. While beginners to Japanese can get a lot from this, hiragana knowledge is required. Finally, we invite the reader to contact us with questions or requests for future Japanese readers. You will find our personal email addresses in the book. To your Japanese!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
