

## Japanese Stage-Step Course: Writing Practice Book

The Writing Practice Book provides a step-by-step guide to writing Kana and Kanji. It is designed to give maximum flexibility to users of The Japanese Stage-Step Course and enables students to learn, practice and perfect their writing skills at their own pace. The book is divided into two parts; the first focuses on Kana and the second on Kanji. There are clear instructions on stroke order followed by tracing exercises and plenty of boxes are provided for additional practice. Kanji are gradually introduced in sets and are accompanied by the Japanese readings, examples of usage and radicals.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
