

Jewish Marriage Notices: From the Newspaper Press of Charleston, S. C. (1775-1906) (Classic Reprint)

Excerpt from Jewish Marriage Notices: From the Newspaper Press of Charleston, S. C. (1775-1906) The many requests for information concerning data of early Jewish family histories has induced the compiler to place his card-index at the disposal of the public. The list of Newspaper Marriage Notices included in this volume will be found to be fairly complete. They have been gathered from many libraries and in many places. Being away from the sources the compiler regrets that he has not been able to verify the references, as is his custom. For the sake of completeness, he has added a number of entries from the records at City Hall, Charleston, S. C. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
