

Darkworld - Legends from the Underground

Some stories may be too horrifying to speak of; some may be even more frightening to hear. Read tales about the most terrifying cryptids to ever exist, the scariest story to have ever been told, and the unforeseen chilling consequences of letting obsession consume you. Remember: No matter how prepared you feel, you can never truly expect the unexpected. Are you ready to plunge into the underground? John Paradis presents 10 new stories that will torment your mind and seep into your subconscious to secrete eerie nightmares.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
