

Historical and Genealogical Miscellany, Vol. 1: Data Relating to the Settlement and Settlers of New York and New Jersey (Classic Reprint)

Excerpt from Historical and Genealogical Miscellany, Vol. 1: Data Relating to the Settlement and Settlers of New York and New Jersey These records were brought together from time to time during Summer vacations and represent both drudgery and pleasure. Originally the plan was to write a history of the Stillwells, but before long it was realized, that, if it were to be complete, it must include their intermarriages. The broadening of the scope of the book necessitated such oft-recurring references to old records that it became more expedient to copy them verbatim than to consult them at a distance. Further it was impossible to resist the mute, but urgent, appeal of these old papers to save them from complete extinction through time and vandalism. Thus it was the records accumulated. Then it was decided to print, that the material might not be lost and that it might be accessible to others. Five volumes will be produced; a second volume being now well under way. The work is essentially a reference one and appeals alike to the sociologist, genealogist and historian. It tells of the great simplicity of early life, the necessary frugality of the people and the hardships of the early settlers compared with the splendor, prodigality and ease of the present day. The labor has been great, and, alone, in the midst of a busy professional life, it would have been difficult to complete had it not been for the assistance of my friend Harrison A. McNear. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page,

may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
