

## Just Write: An Easy-to-Use Guide to Writing at University (Routledge Study Guides)

This is a basic, short guide that helps students make the transition to writing at college or university as simple as possible, providing them with the basic skills they need to write in an effective academic style. The authors draw on their own work to demystify the academic writing process that many students, in all disciplines, find daunting. By understanding exactly what obstacles students face when approaching writing at university they offer proven advice that is simple, uncomplicated and easily achievable. Clear and accessible, this book gives students step-by-step advice to overcome the main hurdles. It covers: overcoming apprehension then making sure you know exactly what you are supposed to do planning reading managing your time and keeping your focus, helping you get the material that needs to be in your work getting organised you are ready to write the first draft, take a break and finally come back and edit it. Jargon-free, the book helps students at all levels of higher education to write clearly and persuasively, expressing both opinions and findings.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
