

Kansai Japanese: The Language of Osaka, Kyoto, and Western Japan

Finally, a systematic approach to learning the language of Kansai's boardrooms, shops, bars, and boudoirs. Kansai time OutKansai Japanese contains everything you need to know about Kansai-ben, the most important dialect of the Japanese language. Spoken in the Kansai region, which includes the well-known cities of Kyoto, Osaka, and Kobe, Kansai-ben has long been considered a cryptic dialect even by Japanese. Thus it is no wonder that foreigners who speak only standard Japanese are baffled when they find themselves surrounded by the 21 million Japanese speaking the Kansai dialect. Kansai-ben is said to be earthier and more direct than standard Japanese, but it has its own system of polite language that is not taught in books or schools. In fact, Kansai-ben is rarely taught anywhere, and until now there has been no English text that explains the workings of this colorful dialect. Entertaining and very practical, Kansai Japanese has hundreds of sample sentences and dialogues with both English and standard-Japanese equivalents, covering topics like: Traditional Kyoto dialect Male and female speech Lovers language Kansai honorifics land insults TV and movie samurai language And much more!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
