

Kindle Scout Hot & Trending List: How to Get (and Stay) There

Would you like to win a Kindle Scout contract and get your book published? You did your job writing a great book. The Kindle Scout Hot & Trending List book will show you an easy, structured and already proven method to conquer the first step towards your goal: getting noticed by entering the Hot & Trending list. Are you ready to conduct your marketing campaign? It might be stressful, but it should be fun. By using this method, I was able to keep my book in the Hot & Trending list 97.9% of the campaign duration. The method is simple but effective, and you won't have any problem to follow it, no matter how savvy you are with computers. Best of all, you won't have to spend a single dime to implement the method. Without a doubt, Kindle Scout offers a sweet deal for new authors. Getting a \$1,500 advance and a book published by Kindle Press. Also, the possibility of getting the exposure that a platform like Amazon could give to your writing career is a leverage that shouldn't be taken lightly.

The Hot & Trending List To be considered by the Kindle Scout team and opt for a contract, The Hot & Trending list is the most important factor to be taken into account. That's where your book should be to have a higher chance of being published.

And to be there, your book has to gather enough visits to your campaign page, in order to be in the 8% of popularity, among around other 250 books running campaign alongside yours. When I entered the Kindle Scout program, I thought I just had to submit my book and wait for the results. Shortly after, I discovered that running a campaign is needed to gain visibility and therefore enter the Hot & Trending list. I learned some things during the process and I developed a methodology to help books get and stay in the H&L list. That's why I wrote this book. Getting exposure through Social Networks & others The method exposed in the book is very simple to

follow, and you can implement it using free tools on the Web, its very powerful. It allowed my book to get in the Hot & Trending list, where it remained for 97.9% of the campaign duration, that is 705 out of 720 possible hours. Do I need to have zillions of followers or be a Social Network Guru? Not at all. The beauty of this method is that it will work whether you have zero followers or millions of them. Ill show you how to gain the exposure that will make your book make it into the list. How will this book help me with my Kindle Scout campaign? Thanks to Kindle Scout Hot & Trending list you will learn quickly and easily to: Conduct an efficient marketing campaign for your book Apply the method that kept the authors book in the Hot & Trending list for 97.9% of the campaign duration Use Twitter and Facebook to achieve your goal Make your book stand out throughout the 30-day campaign

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
