

King Alfreds Old English Version of St. Augustines Soliloquies (Classic Reprint)

Excerpt from King Alfreds Old English Version of St. Augustines Soliloquies
In preparing this edition for use in college classes, many problems have arisen the best solution of which I can hardly hope to have reached. I leave the work to stand on whatever merits it may have. It should be noted that the facsimiles of the manuscript are reduced 2/7 of the linear dimensions. The first is of folio 4 (1. 1 ff. of text); the second, of folio 29 a (37. 13 ff.). In the absence of any good modern English version of this work, the rather copious translations, found in the Introduction, will perhaps be pardoned. The construction of the text is somewhat of a compromise. I have generally held to the manuscript readings; but where a form was meaningless, or a scribal error was evident, I have not hesitated to emend. When such emendations have been made, the manuscript readings have always been given in the foot notes. For the paragraphing, capitalization, punctuation, and quantity-marks, I am responsible. The Notes attempt to indicate the relation of the Old English version to its Latin sources; otherwise they are merely suggestive. The Glossary is intended to be exhaustive, except for a few oft-recurring forms. My thanks are due to Mr. Andrew Keogh for looking over the proof of the Introduction, and to my wife for verifying the line-references of the Glossary. About the Publisher

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
