

Lancastriana, Vol. 1: A Supplement to the Early Records and Military Annals of Lancaster, Massachusetts (Classic Reprint)

Excerpt from Lancastriana, Vol. 1: A Supplement to the Early Records and Military Annals of Lancaster, Massachusetts. Such original records as long and earnest search had brought to light, which could serve to illustrate, at any point, the story of Lancaster and her people during the period ending A.D. 1725, were collected into a volume printed in 1884. Since then a few items of interest relating to the same history have been found and are gathered in the following pages, together with other subsidiary matter, to serve as a supplement to The Early Records of Lancaster. A few historical notes are added supplementary to, or correcting, statements in The Military Annals of Lancaster, printed in 1889. Each item bears a reference to some page in those works. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
