

Lets Learn Persian Verbs (A Farsi Activity Book) (Persian and Farsi Edition)

The contents of activity books in this series have been designed for students of Iranian Heritage who are learning Persian as a second language in a classroom. These activity books could be used as a supplement to the Elementary Persian Language textbooks which are the main resource used in most Persian schools outside Iran. This activity book consists of fifteen verbs and their conjugations in the Present, Past and Future tenses. If you are learning Persian on your own, you should be familiar with the Persian alphabet and be able to read the Persian script prior to using these workbooks. These practical activity books could provide you with fun and effective ways to expand your reading and writing vocabulary through a variety of activities such as puzzles, word searches and matching exercises. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
