

The Laws of the Universe: The Laws of Dreams

When we have mastered the Universe, its blessings are ours for the taking... The Laws of Dreams represent the fifth of five volumes on Love, Pain, Faith, Separateness and Oneness, and Dreams- all containing messages and guidances about the principles (or as we call them laws) that govern how we are linked to the Universe, our Creator, and Ourselves.

Use this extraordinary work to produce powerful answers, not only with your personal intuition but also with the joy of entering into new life experiences.

I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
