

Le Francais avance: Advanced French for Caribbean Students

Le Francais avance is the French course for the Caribbean. Its Caribbean focus makes it an invaluable text for the preparation of Caribbean students for CXC French examinations and for use on undergraduate French courses. Le Francais avance is unique in fostering an inclusive Caribbean identity among English-speaking Caribbean students of French; it is a must for all advanced Caribbean students of French. Derek Archer Head of Department of Language and Cultural Studies, University of Guyana. President of the Alliance Francaise of Guyana

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
