

Learning English with Laughter: Module 2 Part 1 Teachers Guide

Module 2 Part 1 Teachers Guide: CURRICULUM FOR HIGH BEGINNERS Second Edition Learning English with Laughters Teen-adult series has four Modules. This Teachers Guide is part of a series of the three books, Student Reader, Workbook and Teachers Guide that comprise Module 2 Part 1. This Teachers Guide has 64 pages that explain and enrich 20 lessons. It completes and is a vital part of this second English second language Module, Module 2 Part1. Many of the exercises and activities will be incomplete if bought without the series Student Reader, Workbook and Teachers Guide. Throughout this Guide teachers can combine laughter and learning in their lessons, while communicating in English. Oral Questions are provided for every lesson. Our students consistently rated this oral activity as the most helpful on a scale of 1 to 10. In addition, this Teachers Guide provides answers to all questions, tests after every fourth lesson with a mid-term test after lesson 20. The competitive team activities spark a lot of laughter creating a relaxed learning atmosphere. All Teacher Guide activities can be photocopied as needed. Teachers will find the following material in this Teachers Guide: - Learning English with Laughter philosophy - Oral questions review of Module 1 - Answers to all questions - Suggested answers for discussions - Word bingo instructions - Oral questions for all lessons - Whole class competitive team activities - Role cards for expressing dates activity - Unit tests after every fourth lesson - Test answers - Marking instructions - Word Bingo answers - Grammar notes for teachers - Spelling pronunciation reference chart for teachers - Questionnaire for whole class activity - Role cards - Explanation of the joke - Mid-term test This Teachers Guide is an essential part of Module 1 Part 2. The programs provided in the Student Reader and the Workbook cannot be successfully

presented without the use of this Guide. As it is for teacher use only the provision of one copy per teacher is sufficient. The availability of this series of Modules, each in two Parts, allows schools, colleges and universities to provide books for half of each Module at a time. This allows flexibility in administering the program. The online version is being used in more than 70 countries of the world.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
