

El Diccionario de Cognados Analogos En Espanol/Ingles / The Dictionary of Spanish/English Look-Alike Cognates (Multilingual Edition)

Look-alike Spanish/English cognates are exceptionally useful to teachers and students of Spanish and English for three reasons: (1) their similar spellings and pronunciations provide an easily accessible vocabulary in the new language; (2) the contrast between them facilitates an understanding of the phonetics of the language to be acquired; and (3) the number of lexical similarities between the languages provides beginning students of either with an encouraging appreciation of the affinity between them. THE DICTIONARY OF SPANISH/ENGLISH LOOK-ALIKE COGNATES; ARRANGED GRAMMATICALLY AND PHONETICALLY is an attempt to provide students of both languages with an extensive, organized collection of look-alike cognates. Los cognados analogos espanoles-ingleses son excepcionalmente utiles para profesores y estudiantes del espanol y del ingles por lo siguiente: (1) sus parecidos ortograficos y sus pronunciaciones similares proporcionan un vocabulario facil de adquirir. (2) su contraste facilita el entendimiento de la fonetica entre los idiomas. (3) las abundantes semejanzas lexicas proporcionan a los estudiantes principiantes de ambos idiomas un alentador aprecio de la afinidad que existe entre ellos. es una tentativa de darles a estudiantes de ambos idiomas una extensa y organizada coleccion de cognados analogos.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
