TEACHERS GUIDE BOOK 1A: Childrens ESL Curriculum Second Edition in Color, From A to L, is for students under 7 years. IT IS AVAILABLE IN COLOR ONLY. This colorful book of childrens ESL games and ESL activities has 50 pages for 12 childrens ESL lessons. It reinforces the material taught in the Student Book and is a very important part of this ESL program. It includes a Final Test and a glossary plus colorful ESL activities and ESL games for teachers to photocopy. These reinforce the learning of the material introduced in the Student Book. We suggest that teachers and schools could cut their expenses by placing the games in clear plastic sheet protectors and sealing them with tape. Small picture pages could be laminated and cut. TYPES OF ACTIVITIES: - Children orally name a key word picture held up by the teacher rewards of stickers, a stamp or drawn stars can be given to make the game more exciting. - Students are given one or two pictures. They hold up the picture when the teacher calls its name. Rewards can be given where appropriate. - Modified Bingo allows these young children to play the game with 9 choices instead of 24. - Enrichment Bingo captions are provided. - Modified Bingo for numbers shows the finger positions as taught in the Student Book. - Large colorful alphabet letters are provided for display, games and key word review. - Large numbers from 1 to 10 can be used for display of small group activities. - A Glossary of the basic vocabulary introduced is useful for teachers planning their own activities. - The action song Ten Little Fingers sung to the tune of Ten Little Indians reinforces the numbers. - Ten Little Fingers Bingo provides fun in understanding the meaning of the numbers.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
