

## Life is Huge!: Laughing, Loving, and Learning From It All

Life is Huge! is a collection of 50 warm, witty and wise articles that capture the experiences and emotions that make up all our lives. They include much humor that is a constant necessity in life, valuable how to tips for handling important aspects of life, poignant moments that make us stop and reflect about the purpose of it all, love that helps us transcend all that is difficult in this world, and Susans personal feelings about many aspects of life and the human condition. The articles all stand on their own and are purposely presented in a random fashion so that, just like life itself, you never know whats coming next. You can move through from beginning to end. Or open the book at any point and be surprised at what you find. Or look at the contents and pick the titles that appeal to you at that particular moment. The simple but profound truths contained in this book, with all of Susan Jeffers trademark warmth and enthusiasm, will make you laugh, make you cry, make you reach out and embrace all of life. It will inspire you and remind you that life is infinitely varied, surprising and definitely huge!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
