

# Das Potential verschiedener Messmethoden zur Untersuchung des Multi-Reference Appraisal Model of Emotion (German Edition)

Bachelorarbeit aus dem Jahr 2008 im Fachbereich Medien / Kommunikation - Methoden und Forschungslogik, Note: 2,0, Freie Universität Berlin (Institut für Publizistik- und Kommunikationswissenschaft), 36 Quellen im Literaturverzeichnis, Sprache: Deutsch, Abstract: Die Kommunikationswissenschaft beschäftigt sich, wenn auch nicht sehr intensiv, seit ihren Anfängen mit Emotionen in den Medien (vgl. Schramm/Wirth 2006: 25). Dabei treten starke emotionale Reaktionen auf. Besonders im Zuge der audiovisuellen Rezeption von Massenmedien können tiefe emotionale Erfahrungen gemacht werden (vgl. Schenk 2002: 192). Der situative Rahmen der Rezeption kann die emotionale Erlebniswelt des Zuschauers erheblich verändern. Im Flughafen von Hong Kong werden 4D-Kinofilme präsentiert, jede Vorstellung ist restlos ausverkauft.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
