

A Long Way Home

This book is Amazing. Its Phenomenal. A riveting story based on the true life experience of Sharell. An innocent highschool queen from Oklahoma City, who tested the limits of life. In her story, you will experience the streets of Hawaii, Anchorage, and finally, Seattle, Washington, where there was a serial killer in the midst of her world. Eternity was at every corner, but somehow she found favor with God. The unexplained occurrences that happens only on television, protected her. After reading the events of Sharells life, you will agree that angels do exist. This book reads as a Thriller. Expect the Full Ride.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
