

Lionels Christmas Adventure: Lionel Learns the True Meaning of Christmas (Lionels Grand Adventure Book 2)

Have you ever wanted something you couldn't have? Meet Lionel, a loveable bully-magnet who desperately wants a new sled and will do anything to get it. This fun Christmas book follows Lionel from Larrystown to the North Pole. His magical Three-Toed-Potbellied Walbaun foot is back and is as unpredictable as ever. Whether Lionel's sledding, ice skating, or in a life-sized gingerbread village, it takes him on some grand adventures. Filled with great Christmas imagery, this book is perfect for young readers and family story time. This 2012 holiday, be careful what you wish for, you never know what might happen!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
