

Look at Me When I Talk to You: ESL Learners in Non-ESL Classrooms, Second Edition (Pippin Teachers Library)

Communicating involves much more than memorizing vocabulary and learning grammar rules. As more and more students whose first language is not English are welcomed into our classrooms, teachers are finding that communicating effectively with this diverse population requires a sensitivity to cultural issues that affect the way people interact with one another. In this revised, expanded and updated edition of *Look at Me When I Talk to You*, Sylvia Helmer and Catherine Eddy explore the underlying fundamentals of communication to show how culture influences the messages sent - and received. Elements of both the theory and practice of communicating in a multicultural setting are discussed, and examples from real classrooms illustrate the issues that can, and do, arise. Practical suggestions for helping students learn to cope in their new culture make this book a must-read for all teachers working with students who are learning English as an additional language.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
