

Lost in Time: A Medieval Adventure (SpongeBob SquarePants)

SpongeBob SquarePants and Patrick were enjoying a lovely feast at Medieval Moments restaurant when they were chosen to fight in the royal joust. After a freak accident, SpongeBob and Patrick find themselves back in medieval times where they are mistaken for great knights and sent to rescue the princess from the evil, one-eyed lords jellyfish dragon! Can SpongeBob and Patrick save the princess? Will they ever return to Bikini Bottom?

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
