

Love is Letting Go of Fear

Experience the miracle of love in your life!

In the #1 bestselling tradition of Marianne Williamson's *A Return to Love*, internationally renowned interpreter of *A Course in Miracles*, Jerry Jampolsky now offers an expanded audio presentation of his seminal bestseller, *Love Is Letting Go Of Fear*. Based on material from *A Course in Miracles*, these lessons will help you let go of fear and remember that our very essence is love. By taking these lessons to heart, you can change your way of perceiving the world away from one that focuses on the past towards a belief system that removes the blocks to the awareness of love's presence in our lives. Dr. Jampolsky can help you tune in the voice of your inner teacher, allowing you to: heal your relationships, experience peace of mind, let go of the fear that prohibits true fulfillment. Change your outlook from a life of getting and fear towards a life of giving and love, and experience the joy of peace in your life. Newly expanded for the 90s.

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
