

MacMillans Course of German Composition: First Course, Parallel German-English Extracts and Parallel English-German Syntax (Classic Reprint)

Excerpt from Macmillans Course of German Composition: First Course, Parallel German-English Extracts and Parallel English-German Syntax The Second Part - intended to put the students power Of self-help to a somewhat severer test - contains easy Passages to be translated from the original English into German without further assistance than a few footnotes and occasional references to the Parellel Syntax in the Third Part. It has been assumed that by the time the pupil has reached the end of the First Part he will have gained sufficient familiarity with wordlore to make a discriminating use of his Dictionary. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
