

Magical Chinese Characters: Radicals for Learning Chinese Characters, Vol. 1 (Textbook with 1 MP3 CD)

This set of textbooks will teach you how to learn about 1,000 compound characters. Compound characters are composed of two or more building blocks (core characters). The book chooses the most commonly-used building blocks which can be used as radicals in compound characters. For each character, its form, meaning, writing method, usage and word formation are introduced in an orderly and practical way.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
