

## Magnificat - A Christmas Play

Clariel and Jonai are bored, as heavenly angels often are. But they've heard a rumour of God coming to visit Earth, in human form...their curiosity is piqued, but the more they stay, the less things make sense. What does it take to really understand the Christmas story? Featuring fishermen, a mad (?) beggar, time travel, and far more bread than strictly necessary. Also fish. Welcome to Magnificat, a 1.5 to 2 hour Christmas Play designed for 9 actors, an open stage, an inconsistent budget and an audience willing to be surprised, laugh, think (a little) and be entertained at the best time of the church year.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
