

## Making Sense of a New World: Learning to Read in a Second Language

^This book is not just for educators of emergent bilinguals, it is for all people interested in the teaching of language and reading to young children and because it provides food for thought on more than one occasion it is a book to be seriously considered - Language and Learning ^Making Sense of a New World deserves a place on the bookshelf of every primary teacher whose pupils are learning to read English as an additional language. It may not solve all the problems, but it will do more to help us understand them than any other book for teachers currently available - Times Education Supplement How do young children go about learning to read in a new language? Is learni

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
