

## Reindeer Christmas (Paula Wiseman Books)

A December snow is falling, lightly dusting all the trees, blanketing the forest in a crystal filigree. Late one snowy winter evening, two young children and their grandmother happen upon a weak and weary deer while feeding the animals in the forest. Together the children care for the deer and warm him by the fire until he is back to health, completely unaware of the surprise that awaits them on Christmas morning! Mark Kimball Moulton and Karen Hillard Good, the bestselling creators of *A Snowman Named Just Bob* team up to tell this enchanting story filled with the magic of the season and the true spirit of giving that Christmas brings. *Reindeer Christmas* is a heartwarming story to share with the whole family this and every Christmas!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
