

## Naugatuck, Connecticut Congregational Church Records, 1781-1901

This book contains abstracts of the records of The Church of Christ in Salem in Waterbury, Connecticut, now known as The Congregational Church of Naugatuck, which were taken from microfilm of the original. Established as the Salem Society in 1773, the church was not organized until 22 February 1781. Naugatuck was a part of the town of Waterbury until May 1844. It is important to realize that the several compiled membership lists contain annotations after the original entry. Deaths, dismissals, husbands, excommunications were all added information and are extremely valuable for determining, for example, whether a death date refers to one Sally Smith or another. Cross referencing has been done only when alternate spellings of the same surname are not adjacent to each other in these abstracts.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
