

Mastering Uncertainty: in Leadership Innovation & Strategy

If you want to be successful in a competitive challenging complex or volatile environment you will need to be able to deal effectively with prolonged ambiguity & uncertainty. To master uncertainty and lead others with confidence, you will also need to gain above average thinking skills as well as an exceptional repertoire of tools, insights & experiences. Stephen P. Reid provides original practitioner tips & tools to being successful and confident in an uncertain world. Essential reading if you wish to progress your career, develop good strategies, innovate, lead people or deal with complex projects.

Endorsements

This book is all about the topic of our times uncertainty. We are living in a more complex world with uncertainty endemic in all of business life. This book helps us all embrace uncertainty, both in organisations and personally so that we can innovate and develop strategies to minimise the world of uncertainties in business. A must read for all managers

Cary L. Cooper, CBE, distinguished professor of organizational psychology and health at Lancaster University Management School and co-author of the bestselling book Wellbeing: Productivity and Happiness at Work.

Stephen Reid addresses the challenge of dealing with uncertainty through engaging metaphors and practical tools. An essential text for anyone looking to enhance their skills.

Mark Jenkins, Professor of Business Strategy & Director of Research Cranfield School of Management

There's something in Mastering Uncertainty for everybody in a leadership position, whether it be leading a large multinational, a department, a team, an innovation project or your own venture. Simple, effective ideas for thinking about uncertainty, with an emphasis on putting things into practice, as the best way to hone the best strategies for you.

John Kearon, Chief Juicer and founder of

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
